## HELPFUL HINTS FOR SWIM LESSONS

- We recommend swimmers repeat the last level they completed the previous summer to help refresh their skills.

- Every swimmer learns at a different rate. It is common for children to remain in the same level for two or more sessions, especially if they are at a beginner level.

- If you are unsure about which level your child should be registered in, please refer to the swim lesson level descriptions on page 8 and 9. Choose the level that matches their skill level. Our aquatics staff also offers free swim lesson evaluations during any of our recreational swimming times.

- Some classes will fill up quickly. Please have a second and third choice ready when registering to ensure your best chance at getting the class you want.

- Remember that both Manor and Arroyo pools offer swim lessons. If a class is full at one pool, be sure to check the other facility.

- Be on time or early to class! This helps avoid disruptions to the class.

- Please make sure your child has a swim suit, towel and plenty of sunscreen! For children in diapers, disposable swim diapers must be worn in the pool to help protect against waterborne illnesses. Goggles and swim caps can be worn during classes though we don’t allow nose plugs or full face masks.

- Classes will be conducted rain or shine; however, classes will be cancelled when severe weather conditions (lightning, hail, etc) are in the area. In the event of severe weather and classes are cancelled you will be given a credit for the missed class unless the Aquatics Staff can provide a make-up date. Staff will follow local weather reports for the latest conditions.

- If you miss the last day of lessons, any unclaimed report cards can be picked-up on site at the pool’s cashier office.

CAMP INFORMATION

CAMP HANDBOOK
Available online June 1
Please read the Camp Handbook prior to sending your child to camp. This survival guide can be accessed online at www.cityofdavis.org or the Parks and Community Services office. It should help answer any questions you have about camp.

CAMP SPECIFIC PERMISSION SLIP & MEDICAL INFORMATION
All campers must have a Camp Specific Permission Slip and Medical Information Form upon arriving at camp. This form is located online or at our Registration office. Campers who do not have a completed Camp Specific Permission Slip and Medical Information Form will not be permitted to participate until the form is completed by the parent or legal guardian.

TRADITIONAL CAMPS
Traditional camps are the heart and soul of the City of Davis Parks and Community Services. We choose campers’ favorite places to play and things to do. Weekly activities include field trips, swimming and fun at the parks. Get ready for a summer of endless fun!

SPECIALTY CAMPS
Specialty camps focus on a particular interest or offer something out of the ordinary. Browse the extensive specialty camp section for something that inspires your child!

SPORTS CAMPS
Give your athlete the opportunity to learn and fine-tune their skills during the summer. City of Davis sports camps are designed to teach fair play, teamwork and sportsmanship.

IS CAMP A GOOD FIT FOR MY CHILD?
If your child meets the age/grade requirement, is potty trained and capable of following staff directions within a camp setting, then camp is a wonderful place for your child to gain new experiences and make new friends. If you have questions about the fit of a specific camp, please feel free to contact us and we can walk you through your concerns.

WHO ARE THE CAMP COUNSELORS?
We feel confident that we have the best staff around! They have completed background checks, have First Aid and CPR certification and have also received training to work with children, positive discipline techniques and risk management.

WHAT IF MY CAMPER NEEDS SPECIAL ASSISTANCE?
The City of Davis complies with the Americans with Disabilities Act. Accommodations for campers with disabilities are individually assessed and determined by our Inclusive Recreation Coordinator. We need a minimum of 3 weeks notification prior to camp starting in order to develop an appropriate accommodation plan. Please call our office for more information. For more information call the Coordinator at (530) 757-5694.
