General Notes: The times designated for particular agenda items are approximate and are subject to change. Please be aware that items may be heard earlier depending on the time taken on previous agenda items. The City does not transcribe its proceedings. Persons who wish to obtain a verbatim record should arrange for attendance by a court reporter or for some other acceptable means of recordation. Such arrangements will be at the sole expense of the individual requesting the recordation.

Agenda packets are available for review or copying at the Yolo County Library, Davis Branch, 315 East 14th Street. Any writing related to an agenda item for the open session of this meeting distributed to the Commission less than 72 hours before this meeting is available for inspection at City Hall, 23 Russell Blvd., Davis in the City Clerk's Office. These writings will also be available for review at the Commission meeting in the public access binder at the back of the meeting room.

Meeting facilities are accessible to persons with disabilities. By request, alternative agenda document formats are available to persons with disabilities. To arrange an alternative agenda document format or to arrange aid or services to modify or accommodate persons with a disability to participate in a public meeting, contact the City Clerk by calling 757-5648 (voice) or 757-5666 (TDD).

6. Evaluation of Road Diet Plan for Fifth Street Corridor Improvement (Zhang) – Information

Researchers Feng Xiao and Ying Zeng, under the direction of Professor Michael Zhang and with the assistance of the Old North Davis Neighborhood Association, developed a microscopic, time step and behavior-based simulation model to model the traffic operations within the planned fifth street corridor area. The study (Attachment #1) focuses on the comparison of two scenarios: the current plan with modification to F&G street signals and the road diet plan. The alternatives are evaluated and compared in terms of vehicle speed, total stops, total delay time, queue length at the intersection, etc.

7. Fifth Street Redesign Position Statement (Krovoza) – Action

Following recent Bicycle Advisory Commission discussions about the on-going Fifth Street Corridor project, Commission Alternate Krovoza prepared a draft position statement (Attachment #2) for Commission comment and adoption.

8. Street Smarts Update (O’Hara) – Information

Street Smarts Coordinator Crystal O’Hara will provide an overview of the Street Smarts Program activities of the last year, including the recent online survey gathering community input on the program (Attachment #3).

9. Bicycle Lane Double-Striping Citywide Expansion (Goddard) – Action

Per the direction of the Commission at the June 2009 meeting, staff drafted a staff report (Attachment #4) recommending that the Commission direct staff to pursue the expansion citywide of the bicycle lane double-striping project.

10. Long Range Calendar Review
(Attachment #5)
