**1. Parks and Facilities Master Plan Update and Discussion**  
Informational Community Workshop – No action taken.

The Recreation and Parks Commission participated in a community workshop focusing on strategies and park improvements based on Guiding Principles developed at the last workshop held in November 2008. The public provided input on additional projects and helped develop a priority strategy for making decisions on future projects. Additional information will be presented at a later date for final approval by the Recreation and Park Commission and the City Council.

The meeting was adjourned at 9:00 p.m.

Respectfully submitted:

Christine Helweg  
Community Services Superintendent
