

Parks and Recreation Facilities Master Plan Update Outreach list

As part of outreach efforts for the Master Plan, the city is making every effort to identify the contacts for groups who use city buildings/fields, offer recreational programs to the community, are key decision makers and other interested parties. The following list represents the groups we have identified to date. If you or your group wants to be added to the mailing list, contact Anne Brunette at abrunette@cityofdavis.org, or at (530) 757-5626.
