## HELPFUL HINTS FOR SWIM LESSONS

- We recommend swimmers repeat the last level they completed the previous summer to refresh their skills.
- Every swimmer learns at a different rate. It is common for children to remain in the same level for two or more sessions; especially if they are at a beginner level.
- If you are unsure about which level your child should be registered in, please refer to the swim lesson level descriptions on pages 8 and 9. Choose the level that matches their skill level. Our aquatics staff offers free swim lesson evaluations during any of our recreational swimming times.
- Some classes fill up quickly. Please have a second and third choice ready when registering to ensure your best chance at getting the classes you want.
- Remember that both Manor and Arroyo pools offer swim lessons. If a class is full at one pool, be sure to check the other facility.
- Be on time or early to class! This helps avoid disruptions to the class.
- Please make sure your child has a swim suit, towel and plenty of sunscreen! For children in diapers, swim diapers must be worn in the pool to help protect against waterborne illnesses. Goggles and swim caps can be worn during classes though we don’t allow nose plugs or full face masks.
- Classes will be conducted rain or shine; however, classes will be cancelled when sever weather conditions (lightning, hail, etc.) are in the area. In the event of severe weather and classes are cancelled, you will be given a credit for the missed class unless the Aquatics Staff can provide a make-up date. Staff will follow local weather reports for the latest conditions.
- If you miss the last day of lessons, any unclaimed report cards can be picked-up on site at the pool’s cashier office.

CAMP HANDBOOK
Available online May 1

Please read the Camp Handbook prior to sending your child to camp. The Handbook can be accessed online at www.cityofdavis.org or the Parks and Community Services office. The Handbook provides details about each camp and sample schedules.

EPACT NETWORK
The City of Davis Parks and Community Services Department uses software called ePACT Network to collect and store participant emergency information and up-to-date contact information. Parents/guardians will receive an email from ePACT asking for emergency information to either be entered or confirmed (for returning participants). This information must be entered and submitted before the participant attends camp. Incomplete files will delay participation. Electronic forms will only be accepted—no paper forms. Questions, call Registration at (530) 757-5626 (option 2).

IS CAMP A GOOD FIT FOR MY CHILD?
If your child meets the age requirement, is potty trained and capable of following staff directions within a camp setting, then camp is a wonderful place for your child to gain new experiences and make new friends. If you have questions about a specific camp, please feel free to contact us and we can walk you through your concerns.

WHO ARE THE CAMP COUNSELORS?
We feel confident that we have the best staff around! They have completed background checks, First Aid and CPR certification and have also received training to work with children, positive discipline techniques and risk management.

WHAT IF MY CAMPER NEEDS SPECIAL ASSISTANCE?
The City of Davis complies with the Americans with Disabilities Act. Accommodations for campers with disabilities are individually assessed and determined by the Adaptive Recreation Coordinator. We need a minimum of 3 weeks notification prior to camp starting in order to develop an appropriate accommodation plan. Please call the Coordinator at (530) 757-5694 to schedule an intake appointment.

2020 CAMP SESSION DATES

Some camps are closed July 3, 2020, those camps are prorated.
