This directory is designed to assist older adults and those caring for them in the Davis area. Although this guide is not a comprehensive listing of resources, it is a useful tool to access some of the services available in our community.

Many of the agencies listed provide free services, while others have a sliding scale or a set fee. Be sure to ask about their fee schedules and eligibility requirements when you call.

The information in this directory may not be current after its initial printing. To report changes for listings in this directory, please contact:
