FAQ for Mandated Reporters

Q: How many children are reported for abuse or neglect annually?

Nationally:
According to *Child Maltreatment 2010*, the most recent report of data from the National Child Abuse and Neglect Data System (NCANDS), approximately 3.6 million reports of suspected abuse or neglect were filed. Of these, 20% of the reports were substantiated, meaning approximately 720,000 children were found to be victims of child abuse or neglect in 2009. Of this number, the data is broken down by the type of allegation:
- 78 percent suffered neglect
- 18 percent were physically abused
- 10 percent were sexually abused
- 8 percent were emotionally or psychologically maltreated
- 2 percent were medically neglected

California:
According to the *Child Welfare Dynamic Report System*, the most recent report of data from the California Department of Social Services/University of California at Berkeley collaboration, (website [http://cssr.berkeley.edu/ucb_childwelfare](http://cssr.berkeley.edu/ucb_childwelfare)), approximately 87,000 children were found to be substantiated victims of child abuse or neglect from July 2009 to June 2010. Of this number, the data is broken down by the type of allegation:
- 62 percent suffered neglect
- 19 percent were physically abused
- 9 percent were sexually abused
- 10 percent were emotionally or psychologically maltreated

Q: What is CANRA?

CANRA stands for the Child Abuse and Neglect Reporting Act, which is part of the California Penal Code. The complete definition of CANRA can be found beginning in section 11164 of the Penal Code. CANRA is a set of laws that were passed in 1974. Over the years, numerous amendments have expanded the definition of child abuse and the persons required to report.
**Why must you report?**

The primary intent of the reporting law is **to protect the child from abuse and neglect**. However, a report of suspected child abuse or neglect may also present an opportunity to provide help for the family. Parents who are under stress may be unable to ask for help directly, and may not know where or how to access support/help. A report of suspected abuse or neglect may be the catalyst for bringing about change in the home environment, which in turn may help to lower the risk of abuse or neglect in the home.

**What is a mandated reporter?**

A mandated reporter is someone who encounters children through their employment. Mandated reporters are required by the state of California to report any known or suspected instances of child abuse or neglect to the county child welfare department or to local law enforcement agency (the Davis Police Department).

**Who are mandated reporters?**

Though everyone should report child abuse, a number of professionals must report abuse or be held liable by law. The specific positions are listed in California Penal Code section 11165.7. Professions include but are not limited to:

- An administrator of day camp, public or private
- An administrator or employee of a public or private youth center, youth recreation program, or youth organization
- An administrator or employee of any organization whose duties require direct contact and supervision of children
- An employee of a child care institution including foster parents, group home personnel, and personnel of residential care facilities
- A peace officer
- A firefighter (except volunteers)
- Any EMT, paramedic, or other certified person
- Any employee of any police department, county sheriff’s department, county probation department, or county welfare department
Q How much proof do I need to provide that abuse or neglect has occurred?

No proof of abuse or neglect is needed, only “reasonable suspicion” that child abuse or neglect may have occurred. If you are at all concerned about the possibility of abuse or neglect, you should report. Investigations will be conducted by law enforcement and/or the county child welfare department to determine if abuse or neglect has occurred. Delayed reporting while awaiting further information may hinder investigation by the appropriate agencies.

Q How do I report?

Mandated reporters must report to a county child welfare department or to local law enforcement (The Davis Police Department) immediately by (530) 747-5400. A written report must then be sent within 36 hours by fax, or it may be sent by electronic submission, if a secure system has been made available for that purpose in your county. Written reports must be submitted on the California Suspected Child Abuse Report Form 8572. This form can be downloaded at http://ag.ca.gov/childabuse/pdf/ss_8572.pdf.

Q Is there anyone available to answer questions?

You can call the Davis Police Department at (530) 747-5400. A police officer can answer any questions you have.

Q Can I report the abuse or neglect anonymously?

No. Mandated reporters must identify themselves to the county child welfare department or the Police Department when making child abuse or neglect reports. However, persons who are not legally mandated may make anonymous reports.

Q Who will know that I made the child abuse or neglect report?

The law enforcement officer and/or county child welfare worker investigating the case will have your name in order to contact you about the report. Other professionals involved in the case, such as detectives, and attorneys will have access to your name as well. However, your identity cannot be disclosed to the family or anyone else not directly involved in the
investigation of the case. If your case results in a trial and you are required to testify, your identity may be revealed in court.

**Q** Do I need to tell the parents that I filed a report?

You are not legally required to notify the parents that you are making a report.

**Q** If I tell my supervisor about my concerns of abuse or neglect, have I met the obligation for mandated reporting?

No. Telling a supervisor does not meet the mandated reporting requirement; the reporting duties are individual and cannot be delegated to another person.

**Q** What if my supervisor tells me not to report my concerns because they are not sufficient?

You must still make a report to the Davis Police Department.

**Q** If the incident I report turns out not to be the result of abuse or neglect, can I be sued?

As long as a child abuse or neglect report is made in good faith, the mandated reporter is legally protected from civil or criminal lawsuits. Any legally mandated reporter has immunity when making a report. No individual can be dismissed, disciplined or harassed for making a report of suspected child abuse.

**Q** What happens if I am concerned about abuse or neglect and I do not make a report?

Legally mandated reporters can be criminally liable for failing to report suspected abuse or neglect. The penalty for this misdemeanor is up to six months in jail and/or up to a $1,000 fine. Mandated reporters can also be subject to a civil lawsuit, and found liable for damages, especially if the child-victim or another child is further victimized because of the failure to report.
Q Will I have to testify in court?

The majority of cases do not go to trial. When they do, and the professional may be required to testify, it is important to remember that the testimony may be essential for the protection of the child.

Q What happens after the report is filed?

After a report is filed, the county child welfare department or local law enforcement agency investigates the allegations. These agencies are also required to cross report suspected child abuse or neglect cases to each other. The county child welfare department or law enforcement agency investigation will result in one of three outcomes.

1. Unfounded report – the report is false, or does not involve abuse, such as an accidental injury
2. Substantiated report – it is determined that child abuse has occurred
3. Inconclusive report – there is insufficient evidence to determine whether or not abuse has occurred

Only substantiated reports of child abuse and severe neglect must be forwarded to the Department of Justice. The county child welfare department will determine if children need to be removed from the home or if services need to be offered to the parents or caregivers. Law enforcement agencies may also pursue criminal prosecution.

11165. As used in this article "child" means a person under the age of 18 years.

11165.1. As used in this article, "sexual abuse" means sexual assault or sexual exploitation as defined by the following:

(a) "Sexual assault" means conduct in violation of one or more of the following sections: Section 261 (rape), subdivision (d) of Section 261.5 (statutory rape), 264.1 (rape in concert), 285 (incest), 286 (sodomy), subdivision (a) or (b), or paragraph (1) of subdivision (c) of Section 288 (lewd or lascivious acts upon a child), 288a (oral copulation), 289 (sexual penetration), or 647.6 (child molestation).

(b) Conduct described as "sexual assault" includes, but is not limited to, all of the following:

1) Any penetration, however slight, of the vagina or anal opening of one person by the penis of another person, whether or not there is the emission of semen.

2) Any sexual contact between the genitals or anal opening of one person and the mouth or tongue of another person.

3) Any intrusion by one person into the genitals or anal opening of another person, including the use of any object for this purpose, except that, it does not include acts performed for a valid medical purpose.

4) The intentional touching of the genitals or intimate parts (including the breasts, genital area, groin, inner thighs, and buttocks) or the clothing covering them, of a child, or of the perpetrator by a child, for purposes of sexual arousal or gratification, except that, it does not include acts which may reasonably be construed to be normal caretaker responsibilities; interactions with, or demonstrations of affection for, the child; or acts performed for a valid medical purpose.

5) The intentional masturbation of the perpetrator's genitals in the presence of a child.

(c) "Sexual exploitation" refers to any of the following:

1) Conduct involving matter depicting a minor engaged in obscene acts in violation of Section 311.2 (preparing, selling, or distributing obscene matter) or subdivision (a) of Section 311.4 (employment of minor to perform obscene acts).

2) Any person who knowingly promotes, aids, or assists, employs, uses, persuades, induces, or coerces a child, or any person responsible for a child's welfare, who knowingly permits or encourages a child to engage in, or assist others to engage in, prostitution or a live performance...
involving obscene sexual conduct, or to either pose or model alone or with others for purposes of preparing a film, photograph, negative, slide, drawing, painting, or other pictorial depiction, involving obscene sexual conduct. For the purpose of this section, "person responsible for a child's welfare" means a parent, guardian, foster parent, or a licensed administrator or employee of a public or private residential home, residential school, or other residential institution.

(3) Any person who depicts a child in, or who knowingly develops, duplicates, prints, or exchanges, any film, photograph, video tape, negative, or slide in which a child is engaged in an act of obscene sexual conduct, except for those activities by law enforcement and prosecution agencies and other persons described in subdivisions (c) and (e) of Section 311.3.

11165.2. As used in this article, "neglect" means the negligent treatment or the maltreatment of a child by a person responsible for the child's welfare under circumstances indicating harm or threatened harm to the child's health or welfare. The term includes both acts and omissions on the part of the responsible person.

(a) "Severe neglect" means the negligent failure of a person having the care or custody of a child to protect the child from severe malnutrition or medically diagnosed nonorganic failure to thrive. "Severe neglect" also means those situations of neglect where any person having the care or custody of a child willfully causes or permits the person or health of the child to be placed in a situation such that his or her person or health is endangered, as proscribed by Section 11165.3, including the intentional failure to provide adequate food, clothing, shelter, or medical care.

(b) "General neglect" means the negligent failure of a person having the care or custody of a child to provide adequate food, clothing, shelter, medical care, or supervision where no physical injury to the child has occurred.

For the purposes of this chapter, a child receiving treatment by spiritual means as provided in Section 16509.1 of the Welfare and Institutions Code or not receiving specified medical treatment for religious reasons, shall not for that reason alone be considered a neglected child. An informed and appropriate medical decision made by parent or guardian after consultation with a physician or physicians who have examined the minor does not constitute neglect.

11165.3. As used in this article, "the willful harming or injuring of a child or the endangering of the person or health of a child," means a situation in which any person willfully causes or permits any child to suffer, or inflicts thereon, unjustifiable physical pain or mental suffering, or having the care or custody of any child, willfully causes or permits the person or health of the child to be placed in a situation in which his or her person or health is endangered.

11165.4. As used in this article, "unlawful corporal punishment or injury" means a situation where any person willfully inflicts upon any child any cruel or inhuman corporal punishment or injury resulting in a traumatic condition. It does not include an amount of force that is reasonable and necessary for a person employed by or engaged in a public school to quell a disturbance threatening physical injury to person or damage to property, for purposes of self-defense, or to obtain possession of weapons or other dangerous objects within the control of the pupil, as authorized by Section 49001 of the Education Code. It
also does not include the exercise of the degree of physical control authorized by Section 44807 of the Education Code. It also does not include an injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his or her employment as a peace officer.

As used in this article, the term "abuse or neglect in out-of-home care" includes physical injury or death inflicted upon a child by another person by other than accidental means, sexual abuse as defined in Section 11165.1, neglect as defined in Section 11165.2, unlawful corporal punishment or injury as defined in Section 11165.4, or the willful harming or injuring of a child or the endangering of the person or health of a child, as defined in Section 11165.3, where the person responsible for the child's welfare is a licensee, administrator, or employee of any facility licensed to care for children, or an administrator or employee of a public or private school or other institution or agency. "Abuse or neglect in out-of-home care" does not include an injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his or her employment as a peace officer.

11165.6. As used in this article, the term "child abuse or neglect" includes physical injury or death inflicted by other than accidental means upon a child by another person, sexual abuse as defined in Section 11165.1, neglect as defined in Section 11165.2, the willful harming or injuring of a child or the endangering of the person or health of a child, as defined in Section 11165.3, and unlawful corporal punishment or injury as defined in Section 11165.4. An employer who provides an electronic communications service or a remote computing service to the public shall be deemed to comply with this article if that employer complies with Section 2258A of Title 18 of the United States Code.

(B) An employer of a commercial computer technician may implement internal procedures for facilitating reporting consistent with this article. These procedures may direct employees who are
mandated reporters under this paragraph to report materials described in subdivision (e) of Section 11166 to an employee who is designated by the employer to receive the reports. An employee who is designated to receive reports under this subparagraph shall be a commercial computer technician for purposes of this article. A commercial computer technician who makes a report to the designated employee pursuant to this subparagraph shall be deemed to have complied with the requirements of this article and shall be subject to the protections afforded to mandated reporters, including, but not limited to, those protections afforded by Section 11172.

(44) Any athletic coach, including, but not limited to, an assistant coach or a graduate assistant involved in coaching, at public or private postsecondary institutions.

(b) Except as provided in paragraph (35) of subdivision (a), volunteers of public or private organizations whose duties require direct contact with and supervision of children are not mandated reporters but are encouraged to obtain training in the identification and reporting of child abuse and neglect and are further encouraged to report known or suspected instances of child abuse or neglect to an agency specified in Section 11165.9.

(c) Employers are strongly encouraged to provide their employees who are mandated reporters with training in the duties imposed by this article. This training shall include training in child abuse and neglect identification and training in child abuse and neglect reporting. Whether or not employers provide their employees with training in child abuse and neglect identification and reporting, the employers shall provide their employees who are mandated reporters with the statement required pursuant to subdivision (a) of Section 11166.5.

(d) School districts that do not train their employees specified in subdivision (a) in the duties of mandated reporters under the child abuse reporting laws shall report to the State Department of Education the reasons why this training is not provided.

(e) Unless otherwise specifically provided, the absence of training shall not excuse a mandated reporter from the duties imposed by this article.

(f) Public and private organizations are encouraged to provide their volunteers whose duties require direct contact with and supervision of children with training in the identification and reporting of child abuse and neglect.

11165.9. Reports of suspected child abuse or neglect shall be made by mandated reporters, or in the case of reports pursuant to Section 11166.05, may be made, to any police department or sheriff’s department, not including a school district police or security department, county probation department, if designated by the county to receive mandated reports, or the county welfare department. Any of those agencies shall accept a report of suspected child abuse or neglect whether offered by a mandated reporter or another person, or referred by another agency, even if the agency to whom the report is being made lacks subject matter or geographical jurisdiction to investigate the reported case, unless the agency can immediately electronically transfer the call to an agency with proper jurisdiction. When an agency takes a report about a case of suspected child abuse or neglect in which that agency lacks jurisdiction, the agency shall immediately refer the case by telephone, fax, or electronic transmission to an agency with proper jurisdiction. Agencies that are required to receive reports of suspected child abuse or neglect may not refuse to accept a report of suspected child abuse or neglect from a mandated reporter or another person unless otherwise authorized pursuant to this section, and shall maintain a record of all reports received.
11166. (a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written follow up report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any non-privileged documentary evidence the mandated reporter possesses relating to the incident.

(1) For purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. "Reasonable suspicion" does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any "reasonable suspicion" is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) Any report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If after reasonable efforts a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written followup report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the State Department of Social Services that reflects the data collected from
automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars ($1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e) (1) Any commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practically possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a copy of the image or material attached.
(2) Any commercial computer technician who has knowledge of or observes, within the scope of his or her professional capacity or employment, any representation of information, data, or an image, including, but not limited, to any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images or material are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a brief description of the images or materials.

(g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, "any other person" includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.
(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

11166.01. (a) Except as provided in subdivision (b), any supervisor or administrator who violates paragraph (1) of subdivision (i) of section 11166 shall be punished by not more than six months in a county jail, by a fine of not more than one thousand dollars ($1,000), or by both that fine and imprisonment.

(b) Notwithstanding Section 11162 or subdivision (c) of Section 11166, any mandated reporter who willfully fails to report abuse or neglect, or any person who impedes or inhibits a report of abuse or neglect, in violation of this article, where that abuse or neglect results in death or great bodily injury, shall be punished by not more than one year in a county jail, by a fine of not more than five thousand dollars ($5,000), or by both that fine and imprisonment.

11166.05. Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional
damage, evidenced by states of being or behavior, including, but not limited to, severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to an agency specified in Section 11165.9.

11166.5. (a) (1) On and after January 1, 1985, any mandated reporter as specified in Section 11165.7, with the exception of child visitation monitors, prior to commencing his or her employment, and as a prerequisite to that employment, shall sign a statement on a form provided to him or her by his or her employer to the effect that he or she has knowledge of the provisions of Section 11166 and will comply with those provisions. The statement shall inform the employee that he or she is a mandated reporter and inform the employee of his or her reporting obligations under Section 11166 and of his or her confidentiality rights under subdivision (d) of Section 11167. The employer shall provide a copy of Sections 11165.7, 11166, and 11167 to the employee.

(2) The signed statements shall be retained by the employer or the court, as the case may be. The cost of printing, distribution, and filing of these statements shall be borne by the employer or the court.

(3) This subdivision is not applicable to persons employed by public or private youth centers, youth recreation programs, and youth organizations as members of the support staff or maintenance staff and who do not work with, observe, or have knowledge of children as part of their official duties.

11167. (a) Reports of suspected child abuse or neglect pursuant to Section 11166 or Section 11166.05 shall include the name, business address, and telephone number of the mandated reporter; the capacity that makes the person a mandated reporter; and the information that gave rise to the reasonable suspicion of child abuse or neglect and the source or sources of that information. If a report is made, the following information, if known, shall also be included in the report: the child's name, the child's address, present location, and, if applicable, school, grade, and class; the names, addresses, and telephone numbers of the child's parents or guardians; and the name, address, telephone number, and other relevant personal information about the person or persons who might have abused or neglected the child. The mandated reporter shall make a report even if some of this information is not known or is uncertain to him or her.

(b) Information relevant to the incident of child abuse or neglect and information relevant to a report made pursuant to Section 11166.05 may be given to an investigator from an agency that is investigating the known or suspected case of child abuse or neglect.

(c) Information relevant to the incident of child abuse or neglect, including the investigation report and other pertinent materials, and information relevant to a report made pursuant to Section 11166.05 may be given to the licensing agency when it is investigating a known or suspected case of child abuse or neglect.

(d) (1) The identity of all persons who report under this article shall be confidential and disclosed only among agencies receiving or investigating mandated reports, to the prosecutor in a criminal prosecution or in an action initiated under Section 602 of the Welfare and Institutions Code arising from alleged child abuse, or to counsel appointed pursuant to subdivision (c) of Section 317 of the Welfare and Institutions Code, or to the county counsel or prosecutor in a proceeding under Part 4 (commencing with Section 7800) of Division 12 of the Family Code or Section 300 of the Welfare
and Institutions Code, or to a licensing agency when abuse or neglect in out-of-home care is reasonably suspected, or when those persons waive confidentiality, or by court order.

(2) No agency or person listed in this subdivision shall disclose the identity of any person who reports under this article to that person's employer, except with the employee's consent or by court order.

(e) Notwithstanding the confidentiality requirements of this section, a representative of a child protective services agency performing an investigation that results from a report of suspected child abuse or neglect made pursuant to Section 11166 or Section 11166.05, at the time of the initial contact with the individual who is subject to the investigation, shall advise the individual of the complaints or allegations against him or her, in a manner that is consistent with laws protecting the identity of the reporter under this article.

(f) Persons who may report pursuant to subdivision (g) of Section 11166 are not required to include their names.

11172. (a) No mandated reporter shall be civilly or criminally liable for any report required or authorized by this article, and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his or her professional capacity or outside the scope of his or her employment. Any other person reporting a known or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of any report authorized by this article unless it can be proven that a false report was made and the person knew that the report was false or was made with reckless disregard of the truth or falsity of the report, and any person who makes a report of child abuse or neglect known to be false or with reckless disregard of the truth or falsity of the report is liable for any damages caused. No person required to make a report pursuant to this article, nor any person taking photographs at his or her direction, shall incur any civil or criminal liability for taking photographs of a suspected victim of child abuse or neglect, or causing photographs to be taken of a suspected victim of child abuse or neglect, without parental consent, or for disseminating the photographs, images, or material with the reports required by this article. However, this section shall not be construed to grant immunity from this liability with respect to any other use of the photographs.

(b) Any person, who, pursuant to a request from a government agency investigating a report of suspected child abuse or neglect, provides the requesting agency with access to the victim of a known or suspected instance of child abuse or neglect shall not incur civil or criminal liability as a result of providing that access.

(c) Any commercial computer technician, and any employer of any commercial computer technician, who, pursuant to a warrant from a law enforcement agency investigating a report of suspected child abuse or neglect, provides the law enforcement agency with a computer or computer component which contains possible evidence of a known or suspected instance of child abuse or neglect, shall not incur civil or criminal liability as a result of providing that computer or computer component to the law enforcement agency.

(d) (1) The Legislature finds that even though it has provided immunity from liability to persons required or authorized to make reports pursuant to this article, that immunity does not eliminate the possibility that actions may be brought against those persons based upon required or authorized reports. In order to further limit the financial hardship that those persons may incur as a result of fulfilling their legal responsibilities, it is necessary that they
not be unfairly burdened by legal fees incurred in defending those actions. Therefore, a mandated reporter may present a claim to the California Victim Compensation and Government Claims Board for reasonable attorney's fees and costs incurred in any action against that person on the basis of making a report required or authorized by this article if the court has dismissed the action upon a demurrer or motion for summary judgment made by that person, or if he or she prevails in the action. The California Victim Compensation and Government Claims Board shall allow that claim if the requirements of this subdivision are met, and the claim shall be paid from an appropriation to be made for that purpose. Attorney's fees awarded pursuant to this section shall not exceed an hourly rate greater than the rate charged by the Attorney General of the State of California at the time the award is made and shall not exceed an aggregate amount of fifty thousand dollars ($50,000).

(2) This subdivision shall not apply if a public entity has provided for the defense of the action pursuant to Section 995 of the Government Code.

(e) A court may award attorney's fees and costs to a commercial film and photographic print processor when a suit is brought against the processor because of a disclosure mandated by this article and the court finds this suit to be frivolous.
