It is my pleasure to present the 2018 Davis Police Department Annual Report. Contained in this report are the details that outline the fine service the members of the Davis Police Department provide on a daily basis.

The members of the Davis Police Department take tremendous pride in providing the public with outstanding police service by means of the “Davis Way.” We value our members and believe in the continued empowerment of our staff through continuous training and professional development. We expect the members of our organization to understand the importance of public service and that their service reflects the values of this community. Our philosophy ensures that Department members will do their best to serve the public each and every time we are needed.

I am very proud of the members of the Davis Police Department and the reputation they have earned for contributing to the vibrancy and the quality of life our community enjoys. Our continuing commitment to the delivery of responsive and fair police services is just one, yet crucial, part of the entire City of Davis government team’s mission to provide sustainable neighborhoods and community.

Accomplishments

Grand opening of the Davis PD Substation at the Hunt Boyer Mansion. The Substation serves to provide the public in many ways, including, citation sign offs and parking permit sales.

Acquired, trained and deployed a new K9! Riggs is already loved and appreciated for his hard work!

Maintained positive community relations and created partnerships by interacting with members of our community to ensure that we were able to come together and work as a team to find solutions to ongoing and rising social and crime problems within our community.
The Davis Police Department is proud to serve all those who live, work, and visit our City. We provide law enforcement services to a diverse community of over 68,000 residents and students attending UC Davis. To accomplish this mission, we rely on our authorized strength of 95 full time employees (61 sworn, 34 civilian) and 24 volunteers.

To maximize resources and ensure all 10.5 square miles of Davis are patrolled, the City is divided into four patrol beats: Beat 1 (West Davis), Beat 2 (Central/Downtown Davis), Beat 3 (East Davis), and Beat 4 (South Davis). The current beat structure has evolved over time to reflect the City’s growth and patrol staffing.
The Davis Police Department operates on a budget of approximately $21 million dollars. This equates to roughly 31.5% of the City’s General Fund. Over 82.4% of the PD’s budget is spent on salaries and benefits. The remaining 17.6% is allocated to operations and maintenance, interdepartmental charges and capital outlay.

During the course of 2018, Davis experienced overall increases in violent crime AND property crime. In fact, violent crime is the highest it has been in over FIVE years.

Davis, like most other jurisdictions, tracks these major crimes using the FBI Uniform Crime Reporting (UCR) program. For purposes of UCR reporting, violent crime includes: homicide, rape, robbery, and aggravated assault. Property crime includes: burglary, larceny, auto theft, and arson.

A variety of factors affect crime in Davis, to include changes in local legislation, seasonal population increases, an increase in substance abuse and a growing transient population.
In 2018, Davis experienced a 5% increase in Part I crimes compared to 2017. Specifically, there was a 21% increase in violent crime and a 4% increase in property crime.

Violent crime in Davis is the highest it has been in over 5 years!

Patrol Unit

The Patrol Unit is the most visible unit of the PD and the heartbeat of the organization. Currently comprised of 40 Officers, 6 Corporals and 6 Sergeants, the Patrol Unit is divided into 5 shifts: Days Blue, Days Gold, Nights Blue, Nights Gold, and Swings. Each team is typically staffed with 4 Officers, 1 Corporal and 1 Sergeant.

Patrol is responsible for responding to calls for service and emergencies, providing proactive enforcement against criminal activity, traffic enforcement, and creating connections within the community in furtherance and support of our community oriented policing philosophy.
Investigations Unit

Detectives handle major criminal investigations of all types involving adult and juvenile offenders as well as missing persons of all ages. Davis PD’s Investigations Unit consists of 1 Lieutenant, 1 Sergeant, 5 Detectives and 1 Police Service Specialist (PSS).

In 2018, Investigations triaged 219 cases, 57% of which were suspended at or shortly after intake. Of the remaining cases, 5 were cleared by arrest or other means and 18 were sent to the District Attorney.

Crime Analysis

Often referred to as the “information hub” of the Department, Crime Analysis provides support to each area of the PD by disseminating information/intelligence related to ongoing crime series, emerging trends, “hot spot” crime locations and offenders.

Crime Analysis helps our officers “work smarter, not harder” and is a force multiplier through it’s support and management of Intelligence Led Policing (ILP). The Crime Analysis Unit is currently comprised of 1 Police Service Specialist (PSS) with oversight by the Support Services Manager.
The Code Enforcement Unit is currently comprised of 2 CSOs, 2 PSSs and 1 Supervisor. In addition to noise, party and music complaints, the Code Enforcement Unit triages a variety of calls for service but the most common include:

- Transient camps
- Uncontrolled grass or weeds
- Cars parked on the lawn or other unimproved surface; Inoperable vehicles
- Garbage /trash around property
- Loud noises from parties (to include all noise calls: barking dogs, loud music)

Davis PD received over 1,200 calls for service for nuisance-noise issues in 2018, many of which were forwarded to Code Enforcement for review.

The Parking Unit is staffed with 3 full time PSSs and 1 Manager. In 2018, the unit issued a total of 9,294 parking citations. Enforcement, particularly in a university community, is of critical importance to persons who maintain their primary residence near UCD and to the business community who want to preserve parking for their patrons. The Parking Unit ensures compliance to help mitigate these concerns.
Dispatch

Often referred to as “the true first responders”, our Dispatch Center is comprised of 12 full-time and one part-time Public Safety Dispatchers, 1 Supervisor and the Records and Communications Manager. DPD’s Dispatch Center operates 24 hours a day, 7 days a week, 365 days a year and is responsible for answering all 911 and emergency lines, all police and fire radio communications, processing arrest warrants and restraining orders issued by the court as well as after-hours dispatch services for Public Works and Parks. They also coordinate communications with allied agencies within the Yolo, Solano, and Sacramento regions when aid is requested.

Records

DPD’s Records Unit is currently staffed with 4 full-time Police Records Specialists (PRS), 1 part-time CSO, 1 Records Supervisor and the Records and Communications Manager. Specialists are responsible for answering non-emergency telephone calls, assisting the public at the front counter and at our Hunt Boyer Substation, reviewing and disseminating reports to the public and outside agencies, and preparing arrest reports for the District Attorney’s Office. The Records Division keeps the Department running smoothly and is a critical component to our ability to provide service the community.

Davis PD’s Traffic Unit consists of 1 Corporal and 2 Motor Officers. Together, this team is charged with maintaining safe roadways, sidewalks, bike paths and greenbelts in the City of Davis. To achieve this, the Traffic Division conducts educational programs that are presented, in collaboration with local bicycle clubs, to elementary school aged children.
Youth Services

The Davis Police Department’s Youth Services Division is staffed by one Police Services Specialist.

The Youth Services program is an informal process where first time juvenile offenders who are arrested for non-violent crimes, are diverted from the regular judicial process. Instead, juveniles voluntarily agree to have their case handled informally through the Davis Police Department instead of going to probation and/or court. The goal of the program is for the juvenile to improve decision-making skills through behavior modification, education and support.

School Resource Officer

Although SRO Derek Carlson works with all schools within the Davis Unified School District, his primary focus is working at the secondary school campuses. He also assists in investigations at Holmes, Harper, Emerson and DaVinci Junior High schools. SRO Carlson also provides assistance in truancy outreach.

During the 2018 school year, SRO Carlson has focused on school safety in general including social media safety. SRO Carlson has provided trainings to 250+ students at Holmes Junior High and a school safety presentation to Davis High School faculty.
OUTREACH EVENTS
Youth Academy

After a several year hiatus, DPD held its first Youth Academy in several years. DPD was proud to offer the program to our community once again, and this time with a record breaking enrollment!

In Youth Academy, kids are exposed to the following: Crime Scene Investigation, Defensive Tactics Training, S.W.A.T., K9, Fire Department Activities, Traffic Stops/Vehicle Collision, and Mock Trials.

Coffee with a Cop

DPD is on a mission to improve trust and build relationships — one cup of coffee at a time! Coffee with a Cop events take place at local restaurants. Community residents can sit down with our officers and ask questions or share what’s on their mind. In a short time, citizens and police officers get to know each other and discover mutual goals for the community in which they live and serve.

In 2018, DPD held events at several local coffee shops and restaurants, including: Philz, Starbucks, Cloud Forest Café, Peets, Mishka’s and Konditerai.

Neighbor’s Night Out

Davis Neighbors’ Night Out is a celebration of our community. The event is an informal opportunity for neighborhoods to increase familiarity and communication among neighbors by way of a block party. The event was initiated to encourage neighbors to get to know one another. We believe connected neighborhoods make safe neighborhoods. Many participants have stated they have lived in a neighborhood for years and continue to meet new people at each DNNO event. On average, DNNO usually results in about 120 block parties throughout the City.
“Why I Wear The Badge” is a campaign designed to highlight the diversity and commitment of law enforcement. The badge is a symbol of courage, strength, and integrity. With the display of the badge comes great responsibility. So why do hundreds of thousands of men and women wear the badge each day? Here’s a selection from your very own at DPD!

“Growing up, I rarely saw police officers that looked like me. It became my duty to be one.” Ly #60

“One reason I became a police officer is because of the quote: ‘The only thing necessary for the triumph of evil is that good men should do nothing.’ I decided if I wanted to live in a safe community, I needed to help make it that way.” Helton #72

“I wanted to be in law enforcement to advocate for victims of violent crime. I’ve been there and have had experiences I feel can translate to this career and help those that really need help. It’s a dark time and I hope to make it a little easier for them.” Wais #229
