

# Self-Hauling Part 1: Filling out the C&D Diversion Plan Form

## Construction & Demolition (C&D) Debris

Under State law and by local ordinance, all C&D Projects must recycle or reuse 65% of their waste debris. If you choose to self-haul your debris, you must provide documentation (weight receipts) showing that your debris were recycled and not buried in a landfill.

*Please note: Per City Municipal Code 32.01.030, Recology Davis is the only hauler authorized to haul trash and construction debris in Davis.*

➔ **STEP 1:** Fill out the C&D Debris Diversion Plan and submit it to the Building Division.

➔ **STEP 2:** Recycle the C&D debris generated from your project **and save the weight receipts from the landfill/transfer station.**

➔ **STEP 3:** Fill out the C&D Diversion Report Form.

➔ **STEP 4:** Submit your C&D Diversion Report Form AND the weight receipts BEFORE scheduling your final inspection. *Completed C&D Report forms and receipts may be submitted to [PWWeb@CityofDavis.org](mailto:PWWeb@CityofDavis.org) or to the City of Davis Building Division office.*

## HOW DO I RECYCLE WASTE MATERIALS FROM MY PROJECT?

If you decide to self-haul, there are two main ways to get your diversion credit: mixing your materials together or separating them out.

### **MIXED C&D LOADS:**

There are several facilities you can bring mixed loads of construction and demolition debris. These facilities will sort and recycle the materials.

**Yolo County Central Landfill**, 44090 County Road 28H, Woodland (530) 666-8856

**Florin-Perkins Public Disposal**, 4201 Florin Perkins Road, Sacramento (916)-443-5120

**L&D Landfill**, 8635 Fruitridge Road, Sacramento (916) -737-8640

**Sierra Waste**, 8260 Berry Avenue, Sacramento (916)-388-8320

### **SOURCE SEPARATED C&D MATERIALS:**

Materials can also be sorted out by type and recycled or reused to get diversion credit. Below are some examples of locations that accept source separated C&D waste materials for recycling. Call ahead to confirm hours, fees and material acceptance.

- I understand that 65% of the waste materials from this project must be recycled.
- I will put forth a good faith effort to ensure that a minimum of 65% of the waste materials from this project will be recycled.
- I will save all landfill and recycling center weight receipts from hauling C&D debris.
- I will submit a C&D Diversion Report with weight receipts to the City before I schedule the final inspection.
