RENTAL ASSISTANCE Program

Program Guidelines

PROGRAM DESCRIPTION

The purpose of the Rental Assistance Program is to support residents who are at greatest risk of displacement due to non-payment of rent related to the COVID-19 pandemic and to offset corresponding lost revenue that landlords need to provide housing services. The program provides a one-time rent relief grant directly to landlords on behalf of low-income tenants to reduce burden on tenants and ensure landlords receive the revenue needed to maintain housing services. Yolo County Housing (YCH) will be administering the program.

FUNDING PREFERENCES

- Funds will be awarded on a first-come-first served basis upon receipt of a complete application from eligible tenant households.
- To preserve housing stability for as many people as possible, assistance is limited per household.

To qualify for assistance under this program, applicants must meet the following criteria:

- Be income eligible:
  - Very low-income tenants (up to 60% AMI) OR
  - Low income (up to 80% AMI) with high rent burden (30% or higher).
- Have been unable to pay full rent because they experienced and can demonstrate hardship resulting from COVID-19 in one or more of the following ways (with flexibility regarding other experiences not listed):

  - Signed letter from employer explaining the change in financial circumstances
  - Termination notice

In addition, HUD has indicated that the following assistance under the CARES Act is not counted as income for purpose of eligibility:

- Economic Impact Payments ("stimulus payments")-one-time COVID-19 relief payment of $1,200 for individuals and $500 per child; and
- The supplemental Federal Pandemic Unemployment Compensation (FPUC) of $600/week (Note that under current law as of the publication of this document, the supplemental payments expire after 7/31/20.)

However, "regular" unemployment compensation (including Pandemic Unemployment Assistance (PUA) and Pandemic Emergency Unemployment Compensation (PEUC)) must still be included. Additionally, any hazard pay received by workers is also counted as income (treated similarly as overtime pay).

Household income limits (HUD 2020) are:
