Walk Smart!

Look Before You Cross. Look left, right, and left again before crossing a street or look over your shoulder for turning cars, especially at intersections.

Make Eye Contact. Don’t assume that drivers see you. Make eye contact before you cross the street.

Use the Crossing. Cross at corners or at a marked crosswalk. This is where drivers expect to see you.

Follow the Rules. Follow directions from crossing guards.

Be Visible. Walk where cars and bikes can see you. Wear bright clothes, and use lights and reflectors when it is dark outside.

Bike Smart!

Wear a Helmet. It’s the law. Helmets should fit snugly, sit level on your head, and always be buckled firmly under your chin.

Ride with Traffic. Ride on the right, in the same direction of traffic. Follow all signs and signals.

Share the Path. Pass walkers carefully on paths. Ring your bell or call "on your left" before passing.

Lock Your Bike. Always lock your bike frame and front wheel to the bike rack to prevent theft.

Make Eye Contact. Don’t assume that drivers see you, especially when entering or crossing a street. Make eye contact before you cross, even if it is your turn.

Be Alert. If biking on the street, watch for opening car doors and cars turning across your path.

Be Visible. Ride where cars can see you. Wear bright clothes, and use lights and reflectors when it is dark outside.

Be Predictable. Ride in a straight line and always signal your moves to others.

Davis Suggested Routes to School
Davis is one of the easiest places in the country to walk and bike. We’re lucky to have flat terrain, nice weather, and great bicycling and walking routes. Walking or biking establishes a healthy habit that can last a lifetime, and kids and adults who walk or ride to school can enjoy:

- A daily dose of physical activity
- Healthy target body weight
- Arriving at school attentive and ready to learn
- Improved test scores and better school performance
- Lower rates of depression and anxiety
- Traveling to school in a social and FUN way!

Get Involved!
Here are some ways you can help promote active transportation in Davis:

- Plan your walking or biking route with your student.
- Form or join a walking school bus or bike train. Walking school buses and bike trains are groups of students who walk or bike together to school with a parent or adult volunteer.
- Be a good role model by practicing good walking and biking behaviors. Students learn from watching what older people do, so follow traffic safety rules and set a great example.
- Volunteer! Your school has many events and opportunities. Contact your PTA or join the Davis Bicycles! Schools Committee.

KOREMATSU ELEMENTARY SCHOOL
Korematsu Elementary: Suggested Walking and Biking Routes

How to Use This Map

This suggested route to school map is intended to encourage adults and students to consider walking or bicycling to school. Adults are responsible for choosing the most appropriate option based on their knowledge of the different routes and the skill level of their student.

This map includes suggested routes as well as the locations of traffic signals, crosswalks, four-way stops, crossing guards, and off-street paths.

To see routes and areas beyond this map please visit: http://street-smarts.cityofdavis.org/

Drop-Off and Pick-Up Information:

We encourage students to walk and bike to school. Bike parking is located north of the office and west of Building E adjoining the playground. Please remember to walk bikes on campus. Skateboard, scooter, and bicycle riding are not allowed on school grounds.

Driving to School?
Parking is extremely limited. To ensure the safety of children and adults, please observe all driving and parking restrictions in the parking lot and drop-off/pick-up loop including painted curbs.

Biking to School?
- Wear and securely strap helmets
- Follow the Rules of the Road
- Use marked bike lanes and paths
- Park bikes in the bike rack
- Bring and use your own lock
